This is the fourth Office action for application serial number 10/629,455, Trivet, filed on July 29, 2003.

EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 6, line 2, "retainer" should read –first retainer-.

In claim 16, line 11, "a retainer should read –a first retainer-

The above modification to claims 6 and 16 are merely to further the retainers utilized by applicant's claimed invention and in no way effects the scope of the modified claims.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach a trivet comprising a coupling means having a first retainer having a stem wherein the stem has a size as to extend through the opening of the body and an enlargement at opposite ends of the stem. The enlargement is sized such that it extends beyond the opening and overlies the body adjacent the opening and in combination with the other elements recited therein.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
